EATING DIFFICULTIES

SEF areas

We ensure that staff understand how neurodiverse needs can impact a child's behaviour and ability to learn.

We are aware of the prevalence of sensitivity around food and eating for neurodiverse children and have strategies to support children with this.

Date and Venue

12 February 2026

10:00-12:00

Online

Who

Parents

Hour allocation

2 hours

Offer details

Food and eating can be a huge issue for autistic children.

Sensory issues and anxiety can lead to a person having a very restricted diet.

What can you do to help neurodiverse children with eating difficulties? In this 2 hour session, we will explore autism and food sensitivities.

The session covers -

Sensory sensitivities and their role in eating Anxiety's role in eating.

The difficulties we usually see.

Strategies that work to help a child.
