PARTNERSHIPS FOR INCLUSION OF NEURODIVERSITY IN SCHOOLS

We are delighted to share our parent group which is part of the Partnerships for Inclusion of Neurodiversity in Schools (PINS) project.

This group is a friendly place to come and meet other parents in your school who also have children with additional needs (your child doesn't need a diagnosis to attend).

We will be joined by reps from Somerset Parent Carer Forum. We hope that these groups will be a place to meet other parents and share experiences.
