

Holly Class Homework

In Holly Class, the children will be set homework on a Friday, to be handed in by the following Thursday. They can bring it in as soon as it is finished.

Homework will consist of:

- **Reading** - Please read at least three times a week and record this in the reading record, with an adult signature each time. Reading records will be checked once a week (on Thursday), and children will receive team points for each time they read. Please remember that each entry must be signed by an adult.
- **Spelling Sheet** - Please complete the spelling sheet, which will link to our learning from that week. Each week, we will focus on a different spelling pattern, following the *Unlocking Spellings* scheme, which follows on from the *Unlocking Letters and Sounds* scheme that the children will have used in KS1.
- **Times Tables** - Please complete the Club Times Tables sheet. The children will move up through the clubs when they have answered all the questions correctly three times.

Please also use **Times Table Rock Stars** to practise times tables regularly. This is particularly important for the **Year 4** children, who will take part in the Multiplication Tables Check in the summer. The 'Soundcheck' function on TTRS replicates the format of the test, so it is particularly useful for children to practise this throughout the year. Logins have been stuck into the children's reading records.

Included with the homework are all the Year 3 and 4 statutory spelling words for reference, which we will be practising each term. Please see the highlighted words for Term 1.

Thank you for supporting your child with these tasks. They have been chosen to support the children's learning in school, and your support is very much appreciated! 😊

Miss Norris
